Personal

Statement: Over my 27-year career I spent 17 flying aircraft with 13 of those years assigned to the 55th WG in 5 separate assignments; the majority of that time spent deployed overseas. Over that entire span and the 10 years spent working the OSD & Air Staff, I never had a bad assignment. The key to that success was the strength and support I got from my family...my wife and daughter supported me the entire time and continue to do so. I couldn't have done it without them!
