

Members of the 55th Wing Association and Fellow SAC veterans:

The EC-135 "Looking Glass" mission was a key deterrent to the nation's enemies during the Cold War - A MUST DO MISSION FOR THE *Fightin' Fifty-Fifth* - an achievement of which many can justly be proud.

The memories of all the magic that was dreamed up and acted upon to launch and recover the "Glass" three times a DAY (24/7 for over 30 years) are carved into the memories of many a SAC Warrior. Those were the days!

The preservation of this EC-135C is meant to honor that sacrifice, mission accomplishment, and to preserve that history. The 55th Wing Association in its efforts to continue protecting the heritage of the 55th Wing is assisting in spreading the word to Association members and SAC veterans who may want to contribute to this magnificent project. Instructions included. I know that I will be contributing. The story of the "Looking Glass" needs to be preserved.

Videmus Omnia, Jim Thomas
President, 55th Wing Association

This invitation is FYI. If you cannot attend but would care to donate to the effort of raising \$25,000 for the restoration project, the contact info is at the bottom of the invitation. No amount is too small, nor too big for that matter.

You can also put in your opinion on returning the museum's name to include SAC.
Early reports on that feed-back to the museum were a disappointing 100 or so.

YOU ARE CORDIALLY INVITED TO ATTEND

**THE EC-135 "LOOKING GLASS"
RESTORATION KICK-OFF**

FRIDAY, MARCH 13, 2015

Presentation begins at 4:00 P.M.,
with reception following until 6:00 P.M.
R.S.V.P to Deb Hermann at 402.944.3100 x 220,
dhermann@strategicairandspace.com, or via our website.

WE NEED YOUR HELP SO THE WORLD WILL NEVER FORGET THE MISSION OF THIS AIRCRAFT.

CAN'T MAKE THE EVENT BUT WANT TO HELP? Visit www.SASMuseum.com to donate, volunteer, or to receive the EC-135 Newsletter!
