

Mr. Louis "E" Eisenberg, 89, of Governor Island, NY, passed away on February 7, 2024, in [Wilmington, Delaware](#). He was born on January 6, 1935. Mr. Eisenberg, a very patriotic Veteran, served in the U.S. Air Force for 20 years. In addition to his military service, Mr. Eisenberg was dedicated to scouting for over 20 years, showing his commitment to mentoring and guiding young individuals. He was a loving father and husband.

*From General Urschler: He arrived at Forbes and the 55th SRW about 1959 as an unmarried 2/Lt direct from pilot training (assumed) assigned to the 343rd as a copilot trainee, subsequently replacing me on Major "Stub" Wardens crew in 1960 and deploying to Incirlik TU for his first TDY in the "TELL TWO" program. We subsequently became roommates mates with "Red" Winters for a short period of time until I departed for Eielson. I lost track but I suspect he probably served a tour in Viet Nam. Lou came into possession of a drawing /painting entitled "TELL TWO at 4" rendered by Maj Eugene "Gene" Djouswski an Aircraft Commander in the 343rd which Lou subsequently donated to the 55th now perhaps displayed in the new Headquarters Building.*

Mr. Eisenberg is survived by his wife, Marcia Eisenberg, and Michelle Ievoli, Laura Wolf, and Eric Eisenberg. He is also survived by his grandchildren Anthony Ievoli, David Ievoli, Rachel Wolf, Christopher Wolf, and great-grandchildren Lillian Ievoli and Aiden Weeks. He was preceded in death by his parents, Isadore Eisenberg and Florence Eisenberg, his brother Herman Eisenberg, and his first wife Marilou Eisenberg.
